FICK RESIGNS AS SALES HEAD WITH DORSEY

Horton Fick resigned last week as vice-president in charge of sales for Dorsey Trailers. He had served 14 years with that organization.

Mr. Fick first came to Elba when he was stationed at Fort Rucker as a lieutenant in the U. S. Army, and he and Mrs. Fick obtained living quarters at the home of J. V. Wright, late Dorsey Trailers president.

Served Overseas
After going overseas for a year and a half, during which he was in the invasion of Europe, he was discharged a captain and returned to Elba in January, 1946, after a short stay in the Army hospital in Indiana, and joined Dorsey Trailers as assistant to Mr. Wright. He had served with Dorsey Trailers in various capacities since that time.

Mr. Fick said he has not decided what new field he will enter. He has two children, Michael in Elba High, and Terry, in the Seventh Grade.

Asks Cooperation
In his letter to employees, he said: "I feel that my part in building this organization is complete and I hope that you will continue to give your loyal cooperation to everyone in the company as you have in the past. To put it mildly, it is with considerable regret that I have tendered my resignation."

After Mr. Fick's resignation, there were changes in responsibilities of other executives. Henry A. Dorsey was made Director of Sales, Director of Programming with purchasing, planning and scheduling, industrial engineering, traffic, inspection and warehousing departments responsible to him.

Glenn Williams assumed the duties of Director of Purchasing and John Kendrick assumed the duties of Planning Superintendent.

NEW LINE OF
FORDS GO ON
DISPLAY HERE

The new 1960 Fords will be introduced in Elba today when Gentry Motors, Inc., will formally mark its Grand Opening as the Ford dealer here.

Everything has been done to make a visit to the local Ford dealer and enjoyable one during the three days of Open House Thursday, Friday and Saturday, this week, said Ray McMillan, manager and co-owner with Dr. L. M. Gentry of Dothan.

Mr. McMillan said the 1960 Ford represents a styling theme originally created for later use but brought forward because of the spontaneous enthusiasm of company management when they first saw the car in advance studies.

J. W. Wright, Ford Motor Company vice president and Ford Division general manager, said in Detroit that the 1960 Ford was redesigned from bumper to bumper because "we wanted to increase passenger space and comfort and improve the roadability and handling ease and performance."

Mr. McMillan expects particular interest in the new Ford Falcon, representing a radical departure from car styling of the past several years with a new low-price tag and economy of operation.

Your Health...

Stomach Ulcers and a Sour Disposition

Many people suffer severe pain following meals and are forced to live on soft bland foods which will not further irritate the already inflamed areas of the stomach.

When the body is functioning normally, there is no sensation felt during the process of digestion. The stomach is richly supplied with nerves which control its muscles, blood supply and the normal flow of gastric juices.

The stomach is under the direct controlling influence of the brain. The brain controls normal stomach function by nerve force in much the same manner as electric current turns an electric light on and off. If a blockage to the vital nerve force flow between brain and stomach occurs, the result is an inflammation of the stomach.

In case of a stomach ulcer, a small area of the stomach, usually next to the pyloric valve on the posterior wall, does not receive its normal nerve supply and gradually becomes inflamed.

Why train officers? Trained

officers will do a much better job in carrying on a good 4-H meeting. They feel better; the 4-H club members feel better and get a lot more from the meetings; the local leaders feel good when their students do a real good job; and of course, the Home Agents and I know we are accomplishing a lot more when the officers are well trained and put forth their best efforts.

early in the week I saw the heifer that Bernice Donaldson of Fairview community caught at last year's scramble. I was really surprised. This calf has developed into a beautiful animal weighing close to 900 lbs., and you should see the enthusiasm that Bernice and her Dad show as they take people out to see this heifer. Bernice was one of the five boys in the county who caught heifers.

I understand that all the heifers caught at the calf scramble in Enterprise will be brought back to the show the first week in December to compete for prizes. Folks tell me that Jimmy Russell of the Keyline community also has an excellent heifer which he will be showing.

The 1960 Ford represents a styling theme originally created for laster use but brought forward because of the spontaneous enthusiasm of company management when they first saw the car in advance studios! One of the most important features of the new Ford is that it has been "comfort engineered"! There is substantially more hip room, shoulder room, leg room and head room. New, swept-back windshield pillars have eliminated the troublesome "dog-leg" found in cars with the full-wrap windshield, yet has 17 per cent more windshield area! Adding to the convenience of the new Ford line are such features as a trunk opening that is only 27 inches from the ground, a foot-operated parking brake with the release knob on the instrument panel, and two-stage door checks!

The 1960 Ford line includes 15 models that offer a total of six different roof lines!

Long the leader in the station wagon field, Ford in 1960 will offer five different models with a longer load space, greater passenger comfort and more versatility than ever before!

All standard Ford engines—both "six" and V-8—are designed to operate on regular grade gasoline which saves a dollar on a tank full!

soft coffee-toned velvet styled with rounded decollete and crushed satin cummerbund. Their pair de soie skirts billowed gracefully to reveal matching shoes. They were wide brimmed velvet hats and carried bouffant bouquets of coffee, bronze and golden chrysanthemums tied with ribbons in autumn shades.

Maid of Honor was Miss Elizabeth Hase of Mobile who was crowned in emerald green and carried flowers to match the bridegroom.

Bob Jones was attended by his Best Man, Thomas McNeil, of Florida; his groomsmen, David Jones, Jr., and James Parker of Fort. Walton, William Vann of Birmingham and Ross Cullen Smith Jr.

After the ceremony the guests were invited into the church parlor. To receive her, guests, Mrs. Smith wore champagne taffeta and silk organza festooned gloves in matching shades and she wore a corsage of yellow Phalaenopsis orchids. Mrs. Jones wore beige lace accented with a feathered hat and corsage of yellow carnations.

The punch and cake tables were covered in lustrous linen cloths heavily scalloped in lace. The punch table held a silver punch bowl and white candles in silver candelabra. Mints and nuts in silver containers were placed on the cake table and white gladioli were used in abundance.

Martha Martin registered the guests. Betty Dorsey, Edith Whittman, Mary Carmley, Ida Kinney and Annie Ross served the party guests.

Cut of town guests included: From Montgomery: Mr. and Mrs. William Major and Mrs. Luther Ingalls; from Mobile: Mrs. Will D. Haas, from Peterboro, N. H.; Mrs. George Kendall, from Wetumpka; Mr. and Mrs. Graves Weaver, from China Vista, Calif.; Mrs. Walter J. Wheland.

After a wedding trip to Gatlinburg, Tenn., Nolie and Bob Jones will move into a delightfully decorated home in Fort Walton.

THE TABLES were covered with an arrangement of brilliant autumn leaves, miniature cut tails and yellow mums. Napkins were sprinkled with fall leaves and as each guest entered she was invited to pick a golden corsage from the centerpiece. On the organ, "Tasteful" in a green vase added to the atmosphere.

So did Doris Brook and Annette Ford decorate the private dining room at Padgett's when they entertained with an elaborate bridge party Tuesday, Oct. 8. The seven table were placed about the room and the conversation was gay. The evening passed far too quickly and at its conclusion there were awards to be made.

High score prize went to El-

la Jeter. Low to Betty Vaughan and travel to Kate Murphree. Second high was won by Bob Clark and Dell Oges claimed the door prize. There were two bingo prizes and we were quite proud of ours Jean Paul took the other one home with her.

THE PINES towered majestically forming a protective canopy overhead and a carpet of pine needles underfoot. The coals glowed cozily as the steaks were gently broiled to perfection. Guests were seated informally in rocking chairs and swivel and the gathering was memorable.

Hosts were Claude and Ruth Fleming and one is always sure of a good time at their home. Guests were the members of the Elba Bar and their wives. All of us commented on the beauty of the sheltered spot where we sat and admired the

many evidences of good gardening that were present. Gayle and Lewey Stephens helped us to fill our plates and Ken Fuller of Enterprise and Bill Stokes opened frosty bottled drinks. Judge and Jean Paul, Gladys Clark and "Miss Eva" Easters, Garth Lindsey and his attractive wife, Mary and "Fletch" Canley, Becky Fuller, Carolyn Stokes, the Oliver Jernigans and Betty and Jerry Hudson, were guests.

EXCITEMENT ran high on our hill last week when Rhonda Ann Crook claimed the "Miss Elba" crown from a large field of contestants. Rhonda Ann was striking in a bouffant ball gown of scarlet and long white evening gloves. She possesses a natural poise and vibrant personality and will represent us well in the Peanut Festival, we know.

Debbie Lindsey is our "Little Miss Elba" and "personality" in definitely the word for Debbie. We recall that she always has a big "hello" for everyone and never walks when she can skip. We may bring two crowns home from Dothan.

Soil Reserve Plan
Has Two Choices
This year, for the first time, one U. S. Farmer is facing the question of what to do with land that has been held out of production in the Conservation Reserve. That's because quite a number of contracts entered into in 1956 and 1957 will be expiring at the end of this year.

For the farmer who wants to keep that and in the Soil Bank, there are two choices. One choice is to request ex-

tenation of the existing contracts, with the annual payment continuing at the present rate. The other is to offer the land for a new contract beginning in 1960.

Oct. 10 Is Deadline
For Free Gas Work
With Oct. 10 as the deadline for free pre-cold-weather service rate adjustments and additional farmer participation, the deadline date by which farmers must apply for the establishment of basic rates has been extended to October 9. The previous deadline was September 30.

Following the determination of basic rates, farmers will have until October 16 to apply for Conservation Reserve contracts.

ELBA JUNIORS PUT SPARK IN GRID PICTURE

The Elba Junior High football team, brightest spot in athletics at Elba so far this year, won their first game of the year as they beat the mighty Bobcat Juniors Monday night in Opp 7-6 in a rough-and-tumble defensive game.

Opp drew first blood in the second quarter on an end-around play, but their joy was short-lived. When Opp kicked to Elba, following the TD, Claude Devane gathered the ball on his own 30-yard line and raced 50 yards behind terrific blocking to the Opp 20.

Fred Smith, right halfback, took it over from the two several plays later to tie the score and the margin of victory was the extra point made by Sammie Edmondson.

The second half was a rock-on-rock - en defensive battle with Elba making several threats while holding the Bobcats practically motionless.

Coch Bill Strickland said, "We played a good alert defensive game. The boys hit hard and never gave up. Several times they threatened to score and we rose to the occasion and stopped them. Jimmy Enz's excellent punting kept them in the hole all night."

Claude Devane called a good game at quarterback. Fred Smith was the leading ground gainer and set up the winning TD.

Pease Tops
Coach Strickland named Charles Pease, center, as the top defensive player of the night and praised Bert Casey and Harold Cain for their top offensive work. He also named Joe Spurlin and Terry Canady as top-notch performers at defensive end.

The Juniors met the Troy Juniors in Troy Saturday at 10 a.m. This will be their third game of the season.

Officers Elected By Elba NFA Group

The Elba NFA Chapter met recently to make plans for the 1959-60 school year. Officers elected for the year are: Jimmie Bullard, president; Patrick Reynolds, vice president; Ed E. Marshall Jr., secretary; Robert E. Williams, treasurer; John H. Carpenter, reporter; Willie J. Silver, historian; Charles Hooks, song and cheer leader; Ulysses Rowe, watchman, and Edward Porter, parliamentarian.

Jimmie Bullard is NFA president and James I. Dawson is Vocational Agriculture Teacher and NFA Advisor.

Cheerleaders For Juniors Organized

A group of Junior Cheerleaders has been formed at Elba High School to act in the same capacity at Junior High football games as the Senior cheerleaders do at varsity games.

This group is composed of Jan Dowdy, Gail Rue, Charlotte Rushing, Jeanette Matthews, Elaine Hughes and Linda Padgett.

ANOTHER DEADLINE

Farmers who expect to participate in the 1960 Conservation Reserve of the Soil Bank have another deadline coming up this week, Friday, October 16, is the last date to apply for contracts to begin next year, according to Chairman Lester Gutter of the Coffee County Agricultural Stabilization and Conservation Committee.

TAKES OLD NAME

With the purchase of the interest of Gold Kist Peanut Growers by Jake Lubert Morrow, the firm is again the Morrow Gin and Peanut Company.

4-H Members To Get Free Pine Seedlings In Month

By Tom Casaday
Asst. County Agent

Did you come to the Poultry Show last Saturday in Elba? A. A. Middleton of Dothan judged the pullets. Blue ribbons winners were: Mary and Martha Dunaway, Freddy Dalrymple, Mary Jane Head, Marion Fuller and Wayne Smith.

Wade Andrews of Dothan awarded \$80.00 prize money to the ten boys and girls attending. Andrews is manager of the Sears Farm Store in Dothan. We don't raise a lot of broilers or produce a great many eggs in Coffee county, but for either eggs or broilers or both I think we can certainly produce more than we are at present. Somebody's going to grow the broilers and produce the eggs. We ought to be able to compete successfully.

Beef Cattle
Coffee county 4-H Club boys and girls have some 35 steers on feed. Chances are that they won't make a lot of money on these steers, but the corn they use in feeding these calves will bring more by feeding than by selling on the open market.

I am looking forward and I am sure a lot of folks who are interested in beef cattle are also looking forward to the fat calf shows and sales next spring. We have six steers in the Zion Chapel community, ten in the New Hope community. Four or five in the Kingston community, about four in the Mt. Pleasant community. Two in the Pine Level community and the rest in the Goodman community.

In a later column I will give the names of the boys and girls and their communities so you can go by and see them when riding around some afternoon.

Demonstrations

I read in the paper yesterday where a two months old baby was apparently killed by a rat. Knowing that rats are probably on the increase, and that we should do something about them, we started last week giving a series of demonstrations on rat control. Our Coffee County boys are learning the very latest method in killing rats and mice; they are learning how to place baits to attract the rats. They are going to use both dry bait and water bait in an effort to kill as many rats as possible.

In any rat killing program, it's a lot better if neighbors will put on a rat killing campaign at the same time. In encouraging the boys to get their neighbors to also put out rat poison in safe places. Aside from damaging feed, corn, and other things of value on the farm, rats are carriers of diseases and filth. I saw a 30-minute film a year or so ago on rats and believe me they are really filthy animals.

Pine Seedlings

Jim Owens of the International Paper Company with headquarters in Elba and Troy told me the other day that his company would have free pine seedlings for Coffee County 4-H Club members. I was glad to hear from him because several boys over the county have been asking about the pine seedlings. Chances are it will be mid-December before we can distribute the pines to the boys. We will also so many per club and try to take care of all the boys we can.

CARS COLLIDE

A car driven by Thomas Gordon Jacobs, of Rt. 1, Elba, and a car driven by Leon Huggins, 30, of Opp, collided Thursday, October 8, at 10:05 a.m. at the intersection of York and Buford Sts., according to Patrolman Driggers who investigated. Front fenders of both cars were damaged. No one was arrested.

Elba FHA Exhibit Wins Third Place

The Elba High School FHA exhibit in the Alabama State Fair, Birmingham, was awarded third place after it was prepared by Mrs. Sybil Taylor. It was the best of its kind in the class.

Thirty-three members of the Elba FHA attended the Fair Wednesday, October 7, as guests of the Fair for City Schools Children's Day.

The Elba exhibit illustrated the theme "Hitch Your Wagon to the Stars", the four stars being Christian character, happy home, good health and noble work.

MRS. LUCINDA SUSIE FOREHAND

Mrs. Lucinda Susie Forehand, 89, of Rt. 1, Elba, died of her home Monday, October 6, after a long illness. She leaves five daughters: Mrs. Ida Mae Nolin and Mrs. R. B. Miller, both of Rt. 1, Elba; Mrs. G. T. Arnold of Rt. 2, Troy; Mrs. G. A. Miller of Phenix City; and Mrs. Lavender Creamer of Phenix, Ariz.; three sons: N. B. Forehand of Flagstaff, Ariz.; James Earl Forehand of Safford, Fla.; and H. R. Forehand of Largo, Fla.; 42 grandchildren and 56 great-grandchildren.

Funeral services were held from Pleasant Ridge Baptist church with the Rev. William Plant officiating. Burial was in the church cemetery.

HOME CLUB SCHEDULE

Complimentary gifts were given to all present. Mrs. Carlton Larkins and Mrs. Elmer Taylor had charge of this part of the program.

The Bonnie Taylor Club was awarded a small banner for having four entries in the revue.

Elba High Band To Play At Dothan

The Tiger band of Elba High School, under the direction of Robert K. Hall was among several area bands that participated in Troy State Appreciation Day in Troy last Saturday in honor of Troy State College.

The band marched in a big parade Saturday morning, but was forced to return home in the afternoon when rain washed out the mass band show planned for the Troy State-Jacksonville State football game played that night.

They will participate in the annual Peanut Festival parade next Saturday in Dothan.

Floralia Dampens Homecoming Here

Gets Honor-

Floralia Wildcats, pursuing one of their best seasons in years, came to Elba last Friday night to lead a sour note to Homecoming at Elba High as they whipped the Tigers 28-7.

Quarterback Kelly Curran was the big gun for the Wildcats as he passed for two touchdowns and ran for another. Current hit Ed Larry Presley in the first quarter with a 60-yard pass for a score. The PAT was good, and the visitors led 7-0.

Ties Score
Elba came back in good form with a drive from their own 23 featured by good running by Fullback Gary Hudson and Halfbacks Twiley and Corbett.

Quarterback Jimmy Sanders scored on a plunge from the one, then sent Twiley over left tackle for the extra point to knot the score at 7-7.

From there it was too much Wildcat and too little Tiger. Floralda, after completing another TD pass, left the field at the half with a 14-7 bulge. The second half saw them score two more touchdowns while holding the Tigers scoreless.

Hudson Leads
Gary Hudson again emerged as the leading ground runner, though the Tigers massed only 78 yards on the ground and six in the air. Joe Rex Granda was the top defensive player for the losers.

Homecoming queen Charlotte Vaughan was crowned by Senior Class President Glen Hudson in pre-game ceremonies. She was attended by Frances Barlowe and Ann Aldridge.

The Tigers met the Hartford Bulldogs in Hartford for a tough game tomorrow night. Hartford suffered a 27-0 defeat at the hands of Ozark last week and will be expecting a victory in their homecoming game.

ENGINEER FOR COUNTY ROADS IS SELECTED

The Coffee County Board of Commissioners Monday hired a county engineer to succeed H. S. Langley, who resigned.

H. B. Riggs, now with the Alabama Highway Department and formerly county engineer of Henry county, was employed as Coffee county engineer at a salary of \$700 a month.

The board appropriated \$4,000 for fire protection in county woodlands in cooperation with the State Department of Forests; contract for purchase of a typewriter for the county tax assessor's office was awarded to Yancy Typewriter Co., Troy, for \$212.46 plus trade-in; awarded a medical scholarship to John Andrew Morrow on his agreement to practice medicine in Coffee county for at least five years.

Judge J. O. English presided with Commissioners Bowden, Tindol, Brown and Whitman present.

Library Tops U. S. Average In Reading

Cross Trails Regional Library service led all reporting libraries in the state of Alabama during the fiscal year of 1958.

Regional headquarters in Opp has just received Circular No. 598 of the U. S. Department of Health, Education and Welfare, Office of Education, Washington, D. C., which listed circulation figures for regional libraries of 50,000 population or more. Cross Trails led with a book circulation of 628,538.

This puts Alabama well ahead of the national average, planned for the Troy State-Jacksonville State football game played that night.

They will participate in the annual Peanut Festival parade next Saturday in Dothan.

ROBERT HAMM IS GENERAL EVENTS HEAD

The first Saturday in November was selected yesterday as the date for the Third Annual Fall Festival in Elba after Robert C. Hamm, Elba Insurance man, was selected as general chairman by the Inter-Club Council which sponsors the event.

Preliminary details for the festival have been under discussion for the past several weeks and plans began to take definite shape during the past week for this annual event when Elba rolls out the red carpet in an effort to show its visitors a good time.

Mr. Hamm immediately got to work on definite plans for the various events of entertainment for visitors who have flocked into Elba during the past two years.

The New Brockton F. H. A. Chapter held its first monthly meeting Tuesday, Oct. 6, in the school auditorium.

The 1959-60 officers were installed at a most impressive candlelight installation service. Candies representing the eight purposes of the organization were lighted by the outgoing officers as the purposes were repeated.

The officers for the year are as follows: President, Amelia Herring; vice president, Wadsworth Pittman; secretary, Loretta Nicholson; reporter, Judy Ann Fillingim; historian, Sue Watson; parliamentarian, Shirley Ladd; recreational leader, Linda Roberts.

James S. Pridden Jr., secretary-treasurer of the Peanut National Farm Loan Association, has announced that Mr. John L. Ryan, president, and Mr. James L. Dailey, regional manager, of the Federal Land Bank of New Orleans, attended a meeting of the Association's board of directors Wednesday, October 14, at the office in Samson.

Important changes provided for in the Farm Loan Act of 1959 were discussed and steps taken to put them in force January 1, 1960.

The new act, according to the secretary - treasurer makes it the responsibility of district banks to obtain appraisals; it removes the maximum loan limit and makes provisions for an additional loan to cover the purchase of stock. The act also provides for changing the name from national farm loan association to Federal Land Bank Association.

Mr. Pridden says that this change is welcomed because it will help farmers and the public generally to more clearly identify the local association with the Federal Land Bank which makes the loans it services.
